

Carnival de Resistance Promotion – Bulletin Inserts

The Carnival de Resistance has multiple playful and artistic ways of connecting environmental justice, theology, and spirituality. We are eager to connect Charlottesville faith communities with this vibrant and brave expression of how our tradition has relevant and compelling arguments for living in right relationship with Creation. We ask that you draw the attention and participation of your congregants in the following ways.

- 1) Put Carnival paragraph into paper bulletin, weekly e-newsletters, and list on website if applicable.
- 2) Attach PDF of the Carnival flier to an email blast about the Carnival.
- 3) Lay out the Carnival posters on the resource table, post in visible places (like entry doors, etc.) and use in verbal announcements as visual aid.
- 4) Make as many verbal announcements as possible. If verbal announcements are limited – please announce the volunteer needs on September 8th and the last minute reminder on Sept. 22nd.
- 5) Print out Volunteer Sign Up Sheets and put out on resource table and assign one person to e-mail those names to: volunteer@carnivalderesistance.com
